WHO ARE THE FRIENDS?

The Friends of the Moscow Library is a nonprofit 501(c)(3) association made up of people in our community who assist the Moscow Public Library with improving and expanding its facilities, services, and programs. The Friends are a stand-alone volunteer organization; they support, but do not operate, the Moscow Public Library.

WHY ARE THE FRIENDS NEEDED?

The Moscow Public Library is part of the Latah County Library District, an independent taxing district funded primarily through property taxes. The allowable increase in tax monies each year cannot keep pace with the increasing demand on library services and materials from the community.

THE LIBRARY OFFERS:

- free internet and wireless access
- courier service among Valnet libraries for prompt delivery of requested materials
- high-quality digital resources
- popular books, audiobooks, magazines, movies, and many non-traditional circulating materials
- a welcoming and comfortable place for all ages

JUST A FEW GOOD REASONS TO BE A FRIEND

1. Support the Summer Reading Program, funded by the Friends
2. Support the annual Everybody Reads “one book, one community” program and author visit, funded by the Friends
3. Support Books for Babies, a program which provides a free board book and helpful early literacy tips to parents of babies born at Gritman Medical Center
4. Help fund necessary improvements to library facilities and amenities

FRIENDSHIP HAS ITS BENEFITS

Besides the good feeling you get from knowing your membership helps support the vital services of your library, Friends members are able to enjoy the Members- Only Book Sale Preview prior to the public book sale! Additionally, volunteering with the Friends allows you to have fun, meet interesting people, and help the library at the same time.
